

**WHAT'S
DIFFERENT
ABOUT
VISUAL
CONNECTIONS
TODAY?**

Lots...

- ☞ New membership benefits
- ☞ New membership and connection options
- ☞ New strategic direction
- ☞ Same solid industry support

WHAT'S DIFFERENT AT Visual Connections

Here at Visual Connections, our 2025/26 philosophy is about enriching, sustaining and boosting the performance of our members. We're here for the long-term growth of our members, the industry at large and the people who contribute to this dynamic sector.

We are building an engine room that will deliver impactful and exciting events, activities, content and opportunities for Industry suppliers and likeminded groups.
